## ABOUT ME

I'm pragmatic and unafraid of challenges. I like to write efficient and meaningful code.

These are the skills I'm familiar with:

- C/C++
- Go
- Clojure
- JavaScript
- Node.js
- Bash
- SQL
- HTML/CSS
- Linux
- Knowledge in Agile methods (XP)

## EDUCATION

**B.S. in Computer Science** — University of Notre Dame                 **Aug 2018 — May 2022**
GPA: -

## EXPERIENCE

**Freelancing**                 **Jan 2017 — Jul 2018**
Full-Stack Web Development

## HONORS & AWARDS

**30th International Olympiad in Informatics (IOI)** — Japan                 **2018**
Silver medal

**29th International Olympiad in Informatics (IOI)** — Iran                 **2017**
197th out of 300

## LANGUAGES

- English (Fluent)
- Portuguese (Native)

## PERSONAL PROJECTS

**OBIJudge**

A local programming contests judging system. Features sandboxing based on Linux control groups, a backend server implemented in Go, and a web interface.

**gabrielsimoes.github.io**

My personal website. Features a system of automatic generation and deployment developed from scratch using the Pug templating engine, the SCSS preprocessor, the Gulp automation toolkit and more.
